

SACRED SITES OF THE SOUTHWEST

WITH KENT TOMPKINS

Kent Tompkins has spent decades in a spiritual and photographic exploration of sacred sites, rituals, shamanism and healing ceremonies throughout the world.

From the Navajo people of the American Southwest to the Tibetans and the Sikhs of Northern India, Kent has lived and learned from these ancient traditions. Share his insights and stories and striking images with us in a very special Lifelong Learning presentation.

Where else but the Radio Room at KAFM Community Radio!

WEDNESDAY MAY 27 • 7 PM
